SUBJECT: Travel Permission for Critical Work to Support the U.S. Department of Homeland Security's Cybersecurity and Infrastructure Security Agency (CISA) Critical Infrastructure during COVID-19

To Whom It May Concern:

The person carrying this letter performs critical work as an employee, contractor, or subcontractor at our Pennsylvania business, namely Mitsubishi Electric Power Products, Inc. (MEPPI), with its headquarters located at 530 Keystone Drive, Warrendale, PA and is required to travel to and from our facilities in the Warrendale area. They possess unique skills and training necessary to perform work supporting critical infrastructure referenced below.

MEPPI provides equipment, parts, services and consulting necessary to the Critical Infrastructure of Pennsylvania and the United States as outlined in U.S. Department of Homeland Security's Cybersecurity and Infrastructure Security Agency (CISA) advisory included in PA Governor Wolf's updated announcement on Friday March 20, 2020.

The advisory identifies 16 Critical Infrastructure Sectors that must continue to operate nationwide during the COVID-19 emergency. These include the Communication, Energy, Financial Services, Information Technology, Nuclear, and Transportation Sectors, all of which are supported by MEPPI. It further defines the scope of Critical Infrastructure in these Sectors "to include a wide range of stakeholders who either directly or indirectly enable the functionality of infrastructure systems" MEPPI is a critical supplier to these sectors, and, therefore, is one of the stakeholders included in this definition.

Please direct any questions to the undersigned.

Thank you for your assistance in supporting MEPPI's efforts to provide equipment, parts, services, and consulting necessary for the Critical Infrastructure of Pennsylvania and the United States as outlined in the U.S. Department of Homeland Security's Cybersecurity and Infrastructure Security Agency (CISA) advisory.
